

Colchester Harriers Inclusion policy

Introduction

For the purposes of this policy 'inclusion' means access for all. It means recognising differences between individuals / groups and providing opportunities for them to participate in athletics and running regardless of those differences, whether this is as a participant, coach, leader, official, volunteer or social member.

Colchester Harriers embraces diversity and difference and is committed to providing opportunities that are safe, inclusive, accessible and equitable. We want our club to be equally accessible to all members of society, whatever age, disability, gender, race, ethnicity, religion or belief, sexual orientation, or social/economic status.

We will develop a focus on inclusion, not exclusion, and ensure that we provide appropriate advice to members and volunteers to ensure that everyone can participate as fully as possible.

The inclusion policy is intended to promote a change in attitudes and perceptions and to improve opportunities for everyone to participate at our club.

Colchester Harriers will seek to ensure that we comply with the Equality Act 2010 and the characteristics protected by it (age, disability, gender reassignment, race religion or belief, sex, sexual orientation, marriage and civil partnership, and pregnancy and maternity) and encourage our members to do so. We will seek to include everyone regardless of whether they have a protected characteristic or not.

Our aim is to provide an environment where everyone feels:

Welcome

Safe

Aims

The aims of this inclusion policy are:

To promote the development of knowledge and understanding of disability, equity and inclusion amongst our participants, leaders/coaches, officials, volunteers, and competition/ event organisers by the provision of appropriate guidance and training. To guide and support the integration of inclusive practice into our core club/group programmes and activities.

To contribute towards growing and sustaining numbers of people from under-represented groups participating within our club.

To promote inclusion within Athletics and Running wherever possible and in accordance with the provisions of the Equality Act. The chairperson being the most senior official role in the club will fulfil a range of duties dealing with the overall management of club affairs. The chairperson will promote the club to achieve their vision, short term and long term goals.

To adopt inclusive practice within our competition and events.

To promote close working partnerships with relevant groups and organisations to support the development of inclusive practice within the club.

Commitment

We will:

Not tolerate discrimination, harassment, vilification, bullying or victimisation.

Actively identify and reduce barriers to participation for under-represented groups.

Consult with expert partners and other organisations to facilitate inclusive practices and remove barriers to participation.

Ensure under-represented groups are given the opportunity to participate in all aspects of our club.

Provide opportunities for all in coaching, officiating and leadership positions.

There are a number of measures that we will take to ensure that we are working under the guidance of the policy and within the requirements of the Equality Act 2010.

We will provide a welcoming environment

We will think positively about how we can include people rather than focusing on potential barriers to participation.

We will consider how Colchester Harriers is promoted. For example, we will explore how to provide information in formats which are accessible and by using appropriate imagery.

We will encourage people to contact us to discuss their needs and requirements to facilitate inclusion and we will ensure we consider what reasonable adjustments could be made to enable them to participate.

We will develop the knowledge and understanding of key officials, coaches, leaders and other volunteers, of disability, equity and inclusive practice by providing appropriate guidance and training.

We will Talk to people

We will, so far as is reasonably possible, consult with relevant groups and with prospective individuals about their needs and requirements.

We will not make assumptions and will try to speak to people about the reasonable adjustments they believe might be made to enable them to participate and to discuss how these could be made.

We will make reasonable adjustments

We will demonstrate that every effort has been made to enable everyone to participate and that inclusion, not exclusion, has been our priority.

If reasonable adjustments are required to make an event/activity accessible, then we will endeavour to make those reasonable adjustments.
